Mercator Workshop 2022
CRC/TRR 191
Symplectic Structures in Geometry, Algebra and Dynamics
June 23, 2022
Mathematikon | Conference Room | Heidelberg

Program

9:00 -10:00   James Farre, Heidelberg University
Long curves and random hyperbolic surfaces

coffee break

11:00 – 12:00   Agustin Moreno, Heidelberg University
A modern look into the 3-body problem

lunch time (BräuStadel)

14:00 – 15:00   Richard Schwartz, Brown University
Pentagram Rigidity and Lagrangian Foliations

coffee break

16:00 – 17:00   Mikey Chow, Yale University
Exponential Mixing of Borel Anosov Gromov geodesic flows

Participation is free of charge
Registration required by email to lu@mathi.uni-heidelberg.de
Deadline for registration: June 9, 2022
